Music and Dance Celebrating Four Poets/Composers of Bengal

Saturday, October 22, 2022

5:00pm

The program will present the music of the four great poets/composers of Bengal:

Rabindranath Tagore, Kazi Nazrul Islam, Atul Prasad Sen and Dwijendralal Roy,
who were all contemporaries in the late 19th and early 20th centuries.

The poetic lyrics and spellbinding melodies, although diverse in many ways, have a common thread.

Whether the songs express emotions about the Divine, or Nature or Love,
they enhance our understanding of a shared humanity.
